I seem to remember seeing it, but it may take some digging. I'll take a look in the file this week and let you know what I find. Thanks.

Jamey,

Please see the question from Gene below. Do you have a copy of the letter in question? Thanks.

Joseph,

Somehow while discussing cruise ships in legislative session, we ended up with some questions on the Anchorage – Asplund permit AK0022551. We’ve been searching for a while now, and we cannot find a copy of the 1999 letter from Michele Brown waiving the 401 Cert for that permit. If you have a moment, could we ask if you can dig into the archives and provide a copy such that we can add it to our electronic file for that permit?

Not a huge rush, it just came up as a small gap in the permit file.

Thanks!
